

Once you arrive in Enderby on Highway 97, turn east at the traffic lights onto Mabel Lake Road for 6.4km and then turn left on Watershed Road. Follow the signs to the parking lot or snowline. This will bring you to the Ashton Creek/Brash trail head.

If you're going up the La Forge trail.... Once you arrive in Enderby go east on Mabel Lake Road for 30km then turn left on Noisy Creek/3 Valley Gap Road. To reach the Apline turn left onto LaForge Rd at 11.5km. Trail Collector will direct parking to either 3km or 12km depending on logging activity. At present there isn't a chalet but there is a warm up shelter (*Stash Cabin*) to the right at the first meadow.

Don't forgot to stop and show your [membership/trail pass or pay for your day trail pass](#) to our cheerful trail collectors.
