

**The 3rd Annual BCSF
Ladies Ride
Saturday, March 21, 2009
Enderby, B.C.**

Hello again, Ladies! Please take the time to read this information package before filling out the registration form.

It is imperative that each Lady understands that this ride is for the "never - ridden" beginner, all the way to the "I can out-do any man out there" kind of Lady.

We will be riding at Hunter's Range, which will be freshly groomed for us. For those of you bringing your guys along there will be plenty of areas for them to explore.

Our central meeting location will be at the **Ashton/Brash Trailhead of Hunter's Range**.

Please visit www.huntersrange.com for map and directions.
